

South Bend Education Foundation

Summer 2023 Edition

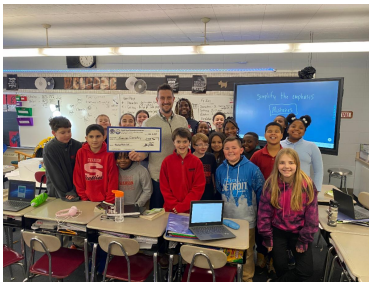

WELCOME

We appreciate your support of the South Bend Education Foundation. This new e-newsletter is one way we hope to stay in touch with our donors and supporters. Quarterly, we will send you this email update highlighting some of the great things happening at the Foundation and sharing how we are supporting the students and teachers of SBCSC. Please, share this information with others who support public education and encourage them to opt-in to receive this newsletter at the link below.

Teacher Wish Lists and The Teacher Store

AEP Foundation Challenge Grant

Did you know that teachers spend an average of \$460 each year out of their own pocket for classroom supplies? The South Bend Education Foundation's Teacher Store and Teacher Wish List Program exists to help fulfill the classroom needs of SBCSC teachers by providing supplies and resources to directly support these needs.

The Foundation received a \$25,000 grant from the AEP Foundation for the 2022-23 school year. The grant allowed us to support over 230 teachers and 6,500 students with classroom supplies and resources.

Three times a year, teachers can stop by our Teacher Store for basic classroom supplies.

The Teacher Wish Lists allow teachers to request grade-specific or subject-specific items through mini-

grants up to \$300.

While the \$25,000 is a huge help to our teachers and students, the need continues to be greater. The AEP Foundation has committed to a \$25,000 Challenge Grant for the 2023-2024 school year. We are raising additional funds to reach the matching level and provide \$50,000 in support through the program. This will allow us to double the amount of support and supplies provided to the SBCSC Classrooms in 2023-24.

If you would like to help support this program, please, click on the Donate button below.
