

South Bend Education Foundation

2023 Year-End Edition

Remember the Students and Teachers of SBCSC in Your Year-End Giving

The South Bend Education Foundation invites you to participate in our year-end fundraising campaign to help ensure that all student needs are met as we head into the next part of the school year. In addition to the Teacher Store, Wish Lists and Teacher Grants, we fund programs and projects throughout all areas of the School Corporation, including Fine Arts, STEM, the Wilson Reading Program, Career and Technical Education and more. The need is great, but together we can make sure that every student has the resources needed to be successful in school.

Foundation Provides Continued Support for Wilson Reading Program

This past summer, the Foundation provided \$53,000 in support to replenish the workbooks and materials for the Wilson Reading Program. This program provides foundational reading support for our youngest students. The Foundation has supported this program in South Bend Schools since its inception.
